No. 203/OSD(IT)/WBE/Eroll/2010

Dated: 28.05.2010

From : Somnath De
Officer on Special Duty (IT)

To : Kolkata Electoral District Officer
All DEO.

Subject : Regarding operation in Permanent EPIC Centre

Sir,

I am directed to say that since data backup of EPIC (through new Software) has already been handed over in respect of 1st phase pre revision activities, merging and issue of EPIC at PEC can't be done for the present for the following PCs: 5-Raiganj, 6-Balurghat, 12- Krishnanagar, 20-Mathurapur (SC), 26 – Uluberia, 33-Jhargram (ST), 39- Bardhaman-Durgapur . Merging and issue of EPIC can be resumed only after receiving fresh EPIC database from this end, which will be delivered in due course. However, in the meanwhile photo taking (and photo receiving) activity may continue at PEC. In that case photo taken/received should be preserved carefully.

For remaining PCs where pre-revision activity is on(2nd Phase), the same restriction will come into force after handing over EPIC data back up (through new software) which is scheduled on 10.06.2010.

Yours faithfully,

(Somnath De) 28/5/10.
Officer on Special Duty (IT)
